SKI & SNOWBOARD

For the second consecutive year, Canyons Resort has been honored by the readers of SKI Magazine as a Top Ten North American resort and it's easy to see why. Utah's largest ski resort has something to satisfy all the tastes in your party: 4000 acres of diverse terrain, the only heated chairlift in North America, a vibrant village apres ski scene, plus the world-class accommodations of the Waldorf Astoria Park City, just a snowball's throw from the lifts. All only 35 minutes from the Salt Lake City international airport.

GOLF

Featuring over 1000 feet of elevation change, the new Canyons Golf Course will offer dramatic views of both the Wasatch and Uinta Mountain Ranges and the surrounding valleys. Mountain holes are characterized by dramatic elevation changes, exposed rock accents and spectacular views. Meadow holes feature challenging water hazards and fairways flanked with native flora. The course will surround the Waldorf Astoria Park City and will be a valued amenity for guests and owners alike.
